HOW DOES IT WORK?

- Your technology advisor will review key areas of Eaglesoft to ensure that you are getting the most out of your software.
- Information for the review can be gathered during normal business hours. The only requirement is that a computer and an office administrator could be available for approximately one hour.

WHAT WILL YOU RECEIVE?

After the review, we will discuss observations and recommendations based upon our findings.

WHAT AREAS WILL BE REVIEWED?

- Insurance Claim Management
- Accounts Receivable
- Recall
- Outstanding Treatment Plans
- Patient Analysis
- Daily, Monthly, Yearly Processes
- System Backup Process
